

FEE – MUNICIPAL WASTE COLLECTION

Have you already paid your municipal waste collection fee for this year?

If not, don't forget to pay it.

Fee and payment terms vary by city!

DON'T FORGET, THAT...

- it is necessary to register for the payment of the fee and thus fulfil the reporting obligation for the local waste fee,
- if you fail to do so, you may have to pay a fine,
- reporting can also be done retrospectively,
- the fee applies to all citizens who live in the city for more than 3 months (including foreigners),
- if you move out of town, you will need to opt out.
- Otherwise, you could still be charged the fee.

The fee for municipal waste must also be paid by foreigners:

- with permanent residence,
- who are temporarily staying in the Czech Republic for more than 3 months,
- who are applicants for international protection or a person tolerated in the territory under the Asylum Act or an applicant for temporary protection,
- who have been granted international protection or temporary protection.

Registration for the fee: in person at the City Hall / Municipal Office.

**From 2024, some cities are raising the fee.
Therefore, check the amount before you pay
again after the new year.**
